

# My First Document

Your Name

January 18, 2024

## 1 Introduction

This is the introduction to my first document created in L<sup>A</sup>T<sub>E</sub>X.

### 1.1 A Subsection

Here's some more text under a subsection.

This is a new paragraph in your document. You can write your text here and when you want to start a new paragraph, just add another `\paragraph` command.

If you want to include an image, use the following syntax:

Figure 1: A picture of the universe

## 2 Conclusion

This is the conclusion of my document.
